

## **11. Rockarp, Nällevad, Brodda 32Km, of which 24km is on tarmac - With an optional detour to Svaneholms Castle**

Cycle down the hill, turn right uphill on the country road, Herrebergavägen. Take a left at V Källhultsv. followed by another left in a T-junctions. Pass a rear-facing warning sign for playing children. Immediately afterwards a right-handed ditto. Turn right at the intersection V Källhultsv./Källhultsvägen followed by a right turn at the upcoming Stop sign. Turn right again onto Korrarpsv (direction Stenberget3). Take a left just before the sign Korrarp and pass a first warning sign. After the second warning sign turn immediately left. From here the road continues pleasantly downhill with wide spectacular views.-Keep right at the next T-junction and cycle straight through the next crossroads and then turn right onto a wider, intersecting gravel road. Ahead lies Skönabäck. You are most welcome to take a rest at the waterfront. After your break, proceed to the next T-junction connecting with road 102. Turn left and follow the sign 7Skurup. Cycle into Janstorp and turn right towards Rockarp. The undulating road leads through Häckeberga nature reserve. Pass the sign Rockarp, then turn left at the crossroads with signs reading Häckeberga6 / 5Janstorp. Turn left on to Nällevadsvägen in the direction of 6Svaneholms slott / 2Nällevad” and pass the sign Nällevad. In the foreground, a wooded hill can be seen, it’s Fölahagens nature reserve belonging to Svaneholms castle. The next T-junction is signposted 2Brodda to the left and Svaneholms slott to the right. The castle and the lake are located directly behind the magnificent oak situated close to the road junction. Behind the oak and around the lake is a blue-marked loop of 2.6km. At Svaneholm Castle there is a restaurant and museum. Please feel free to make a detour and enjoy this splendid castle and restaurant.

Svaneholms slott, 274 91 Skurup
